No. 202.

Mr. Chamberlain to Lord Aberdeen.

DOWNING STREET,

8th July, 1897.

MY LORD,—The departure of the Canadian troops on Saturday last has been the commencement of the breaking up of the remarkable Military Assemblage which has constituted one of the most striking features of the recent Jubilee Celebrations; and I cannot allow the occasion to pass without expressing the great satisfaction of H. M. G. that such a unique and characteristic gathering of H. M. Colonial Forces should have been so successfully brought about.

2. The Colonial troops have attracted the marked attention not only of the British public, but of military experts of all nations; and by their soldier-like bearing and appearance, and their discipline and general behaviour both on parade and in quarters, they have won the highest opinions on all sides.

3. H. M. Colonial Forces during their stay in England have been treated in all respects as regular soldiers; they have readily and cheerfully conformed to every requirement of regimental and barrack discipline, and by an intimate association with their comrades of H. M. regular forces, have become acquainted with every detail of a soldier's life.

4. It has been a particular satisfaction to H. M. G., that in the case of Canada every Province of the Dominion has been represented on this occasion; and they feel that the organization by which this has been effected reflects much credit upon all concerned.

5. H. M. G. feel that they are justified in hoping that the effects of this exceptional military gathering will be permanent, and that the Imperial and National interests which have been by this means so forcibly illustrated and brought home to the minds of all classes of H. M. subjects will now be realized in a manner that has been scarcely possible before. They can hardly doubt that the events of the last few weeks will have done much to knit closer the bonds of union between the Colonies and the Mother Country, and to this end the presence of the Colonial troops will have largely contributed.

6. I will only add in conclusion the expression of my hope that the troops will carry with them to their homes pleasant memories of their visit, and that their stay in this country will have proved not only agreeable but instructive, and I feel confident that in years to come it will be a source of pride and satisfaction to those who are now leaving our shores to think that they have taken part in this great and important national demonstration.

7. I shall be glad if you will publish this despatch.

I have, &c.,

J. CHAMBERLAIN.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals

any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rules which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.
